

1939

38. Davis, W. B. 1939. A new *Peromyscus* from Texas. *Occ. Papers Mus. Zool., L.S.U., University LA.*, no. 2, February 1. Described new race from east Texas.
37. Davis, W. B. 1939. *The Recent mammals of Idaho*. Caxton Printers, pp. 1-400, 33 figs. Discusses all the 141 kinds of mammals known to occur in Idaho.
36. Davis, W. B. 1939. The Townsend ground squirrels of Idaho. *Jour. Mammalogy*, vol. 20, no. 2, pp. 182-190. Discusses distribution and relationships; also, ecology.

1938

35. Davis, W. B. 1938. A heavy concentration of *Cryptotis*. *Jour. Mammalogy*, vol. 19, no. 4, pp. 499-500. As determined from barn owl pellets in Texas.
34. Davis, W. B. 1938. White-throated sparrow killed by copperhead. *Condor*, vol. 40, no. 4, p. 183. July. As observed in Texas.
33. Davis, W. B. 1938. Relation of size of pocket gophers to soil and altitude. *Jour. Mammalogy*, vol. 19, no. 3, pp. 338-342. As observed in Idaho and Nevada.
32. Davis, W. B. 1938. Baird's sandpiper in Texas. *Auk*, vol. 55, no. 4, p. 671. Gives migrational data.
31. Davis, W. B. 1938. Critical notes on pocket gophers from Texas. *Jour. Mammalogy*, vol. 19, no. 4, pp. 488-490. Described new race; discusses systematic status of two others.
30. Davis, W. B. 1938. Hosts of the cowbird, *Molothrus ater* obscures. *Auk*, vol. 55, no 3, p. 546. July. As observed in California.
29. Davis, W. B. 1938. What is a wildlife specialist? *Jour. Wildlife Mgt.*, vol. 2, no. 4, pp. 272-273. Lists ideal qualifications.
28. Davis, W. B. 1938. Summer activity of mountain sheep on Mt. Washburn, Yellowstone National Park. *Jour. Mammalogy*, vol. 19, no 1, pp. 88-94.
27. Davis, W. B., R.R. Ramsey and J. M. Arendale. 1938. Distribution of pocket gophers (*Geomys breviceps*) in relation to soils. *Jour. Mammalogy*, vol. 19, no. 4, pp. 412-418. In Texas restricted to sandy soils.

1937

26. Davis, W. B. 1937. A Vaux swift and its young. *Condor*, vol. 39, no 5, pp. 222-223, 1 fig.
25. Davis, W. B. 1937. Programme of the final examination for the degree of doctor of philosophy; dissertation on Recent mammals of Idaho: a distributional and bionomic study. *Univ. Calif. Press*. June.
24. Davis, W. B. 1937. Some mammals from western Montana and eastern Idaho. *Murrelet*, vol. 18, nos. 1 and 2, pp. 22-27. *Mammals of Bitter-root Valley*; a new race of pocket gopher described.
23. Davis, W. B. 1937. Variations in Townsend Pocket gophers. *Jour. Mammalogy*, vol. 18, no. 2, pp. 145-158, 5 figs. Four new races described, 2 from Idaho, 2 from Nevada; also, 1 fossil species.

1936

22. Davis, W. B. 1936. Broad-winged hawk in Idaho. *Condor*, vol. 38, no 2, p. 86. First record west of the Rocky Mountains.
21. Davis, W. B. 1936. Young of the brush rabbit, *Sylvilagus bachmani*. *Murrelet*, vol. 17, nos. 2 and 3, pp. 36-40, 4 figs. Notes on growth of young.

1935

20. Davis, W. B. 1935. Noon-day feeding of the Pacific Nighthawk. *Condor*, vol. 37, no. 3, p. 176. Lists food items eaten.
19. Davis, W. B. 1935. Mammals of the Ross Expedition (1824) in Idaho. *Murrelet*, vol. 16, no. 1, pp. 7-10. Excerpts of mammal notes as written by Alexander Ross in his "The Fur Hunters of the Far West."
18. Davis, W. B. 1935. An analysis of the bird population in the vicinity of Rupert, Idaho. *Condor*, vol. 37, no. 5, pp. 233-238.
17. Davis, W. B. and E. R. Hall. 1935. Geographic distribution of pocket gophers (Genus *Thomomys*) in Nevada. *Univ. Calif. Publ. Zool.*, vol. 40, no. 10, pp. 387-402, 1 fig. Four new races described.

1934

16. Davis, W. B. 1934. A study of the Idaho jumping mice of the genus *Zapus*, with remarks on a few specimens from British Columbia. *Jour. Mammalogy*, vol. 15, no. 3, pp. 221-227, 1 fig. August. Discusses distribution and differentiation of this mouse in Idaho; describes a new race.
15. Davis, W. B. 1934. Bird notes from Owyhee County, Idaho. *Murrelet*, vol. 15, no. 3, pp. 67-72. September. Records four new birds from Idaho; also effect of ponds in desert areas on concentration of nesting birds.
14. Davis, W. B. 1934. Notes on the Utah chipmunk. *Murrelet*, vol. 15, no. 1, pp. 20-22. Discusses general habit of *Eutamias dorsalis* in Nevada.
13. Davis, W. B. and E. R. Hall. 1934. Notes on Arizona rodents. *Proc. Biol. Soc. Washington*, vol. 47, pp. 51-56. February.
12. Davis, W. B. and J. O. Stevenson. 1934. The type localities of three birds collected by Lewis and Clark in 1806. *Condor*, vol. 36, no. 4, pp. 161-163. Type locality of Lewis Woodpecker, Clark Nutcracker and Western Tanager discussed.
11. Davis, W. B. and J. O. Stevenson. 1934. The American Knot in the San Francisco Bay region. *Condor*, vol. 36, no. 6, pp. 244-245.

1933

10. Davis, W. B. 1933. Additional notes on northwestern coast heron on Samish Island, Washington. Murrelet, vol. 14, no. 2, pp. 42-43. May. Discusses nesting activities of great blue herons.
9. Davis, W. B. 1933. The span of the nesting season of birds in Butte County, California, in relation to their food. Condor, vol. 35, no. 4, pp. 151-154, 1 fig.

1931

8. Davis, W. B. 1931. Black swift notes. Murrelet, vol. 12, no. 1, p. 24. January. Describes feeding habits and food.
7. Davis, W. B. 1931. New records of diurnal Lepidoptera for California. Bull. So. Calif. Acad. Sci., vol. 30, no 3, p. 93. February 10, 1932. Parnassius smintheus magnus from Siskiyou County, California.
6. Davis, W. B. 1931. Western pileated woodpeckers on Bainbridge Island (Washington). Murrelet, vol. 12, no. 1, p. 23. January. Describes mating antics.

1930

5. Davis, W. B. 1930. What was it? Oologist, vol. 47, no. 11, p. 133. November. Nuttall Woodpecker sits close to her eggs.
4. Davis, W. B. 1930. Meet Oreopiza chlorura. Oologist, vol 47, no. 11, pp. 136. November. Behavior of green-tailed towhee in nesting area. Brief description of nest and nesting site.
